## **Foothill Junior College Large Gym Set-up Instructions**

### **Check List**

1. Foothill JC's large gym is normally only used for our in-house tournament or for Super Bowl Sunday. The first scheduled Gym Monitor will pick up the money and game day gym bag at the Egan Middle School large gym. The pick-up time will be 45 minutes before the first game start time.
2. The Foothill Junior College Large Gym will be set up by the facility staff at Foothill JC. This document will be provided to Foothill JC the week before the games, so it can be used by the facility staff in setting up the gym properly.
3. Be sure to get a parking permit. You must get a parking permit everyday of the week at Foothill JC.
4. The large gym is to be set up, so both courts can be used in parallel. In other words the intent is to play two game at the same time one on each court. The pictures in the detailed instructions and the gym lay-out drawing show how the gym is to be set up.
5. The Foothill-SLAM equipment manager may need to get an extra gym bag back from one of the schools not being used for games. The Chapter only has one extra game day gym bag.
6. Be sure to take an extra extension cord in case the facility crew forgets to supply an extension cord to power each of the scoreboards.
7. Set up the scorer's table with scorebook, pencils, portable scoreboard, and scorer's desk gym binder. Scorer's table should be as far back as comfortable for the score keepers making room in front of the scorer's desk for players to check in.
8. Plug in the scoreboard and wrap the excess cord around the leg of the table to keep it from getting accidently unplugged by a player kicking the cord.
9. Take out the controller from the back compartment and turn it on. The display will say Code, you then hit the CODE key followed by the numbers 2213 (model number of controller) and finally hit the ENTER key. The controller should be operational at this point. Enter the number of minutes to the start of the first game and turn on the clock, so the teams know when the game is expected to start.
10. Only the bottom three rows of the bleachers on each side should be pulled out for the spectators to sit on during the games.
11. We need five folding chairs for the scorer's desk and for the referees. Two chairs for the scorekeepers, one for the gym monitor, and two for referees.
12. Check the game schedule in the binder to determine if there are any D2 or D3 games in this gym on this day. If so, please use the blue painter's tape and the tape measure in the

pencil bag to mark the gym floor for free throws. Measure three (3) feet from the free throw line toward the basket and put about one foot piece of tape on the floor for D2 teams. Measure five (5) feet from the free throw line toward the basket and put about one foot piece of tape on the floor for D3 games.

13. Welcome the referees and let them know the level of the first game (should be only Division 2 and Division 3 in this gym), so they can prepare themselves for the rules. The game schedule is in the game day binder and in the gym monitor binder.
14. Make sure you have a smooth transition to the next assigned gym monitor.
15. *If for some reason the next schedule gym monitor does not show up, take the gym monitor sign and put it on the chair. Then please talk to the Foothill Coach of the team playing next and ask them to recruit a parent from their team to be the gym monitor for the next game.*

Thank you for helping our league by setting up the gym. Attached you will find detailed gym set-up instructions with pictures if you need further help.

## Job Responsibilities

The gym set-up includes:

- Getting the gym ready for the games; most of the set is done by the Foothill JC facility staff
- Notifying Martin Silver (415-706-6580) or Scott Pinkner (650-468-7500) of any problems with the preparation of the gym including missing equipment like game balls or chairs and equipment not working properly such as the scoreboard.

## Step by Step Instructions

1. Arrive at Egan Large gym least 45 minutes prior to the first game start time to give yourself enough time to get the gym ready. You will be picking up the extra game day gym bag, possibly one or two portable scoreboards, and the cash. The gym should be set up when you arrive by the Foothill Junior College facility staff.
2. Be sure to check the Foothill Junior College web site for the campus map to locate the gyms. The gyms are next to the pool. The large gym is building 2600 on the campus map attached to these instructions. You can drive to the top of the hill, there is parking lot 2-A near the gyms such that you don't have to walk up the hill.
3. After you enter the gym, you should find it set up properly by the Foothill Junior College facility staff. The set-up should be two scorer's desks between both courts. Each scorer's desk should have three chairs (six in total). In addition there should be two chairs for each court (four in total) for the referees. On each side of the scorer's desk there should be a bench (total of four benches) for the players to sit on while the game is going on. Each scorer's desk should have a portable scoreboard.

Three rows of bleachers pulled out for spectators

Four benches for the players

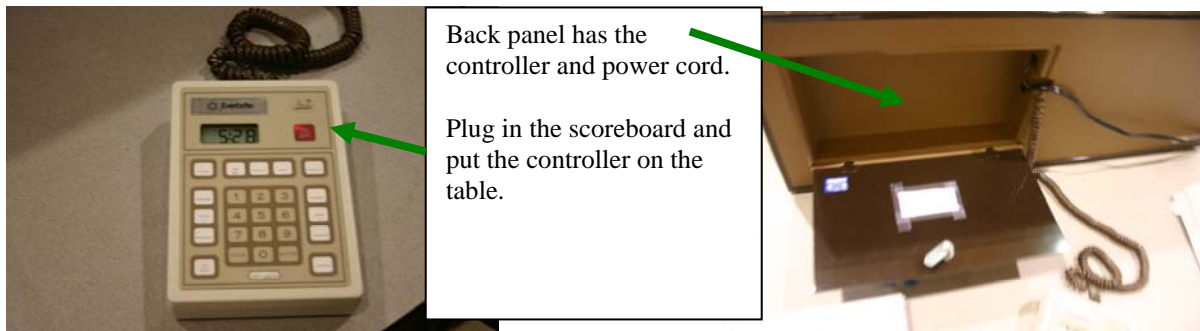

Two tables and six chairs for the scorers' desk

Four chairs for the referees

4. It is time to set up the scoreboard and turn it on.

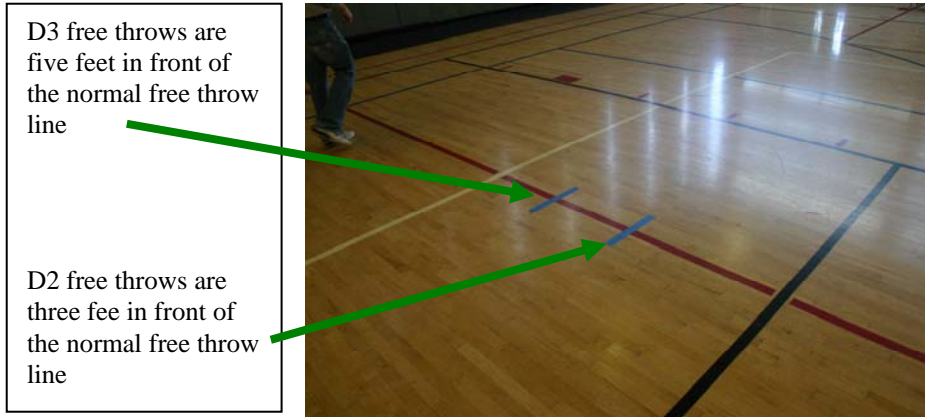

5. You should determine how many minutes until the start of the first game and enter that number into the scoreboard clock and start the timer. This information on the scoreboard will help keep everyone on schedule. The instructions for enter the code and starting the scoreboard are shown below:

#### **Instructions for entering code for the 2213 Portable Scoreboard**

1. Plug in scoreboard
  2. Turn it on using the button on the controller
  3. Controller displays "CODE"
  4. Hit the "Code" button on the controller
  5. Type "2213"
  6. Hit the "Enter" button on the controller
6. The scorer's desk supplies (scorebook, pencils, possession arrow, etc.) should be put out on each desk. It is tight but manageable with all of the tables, chairs and benches. Take out the scorebook and place on the table. You will find pencils in the binder. Leave the binder on the desk for reference because it has the rules that the referees may need during the game. Leave the game balls in the gym bag and place the gym bag behind the scorer's desk on the floor.

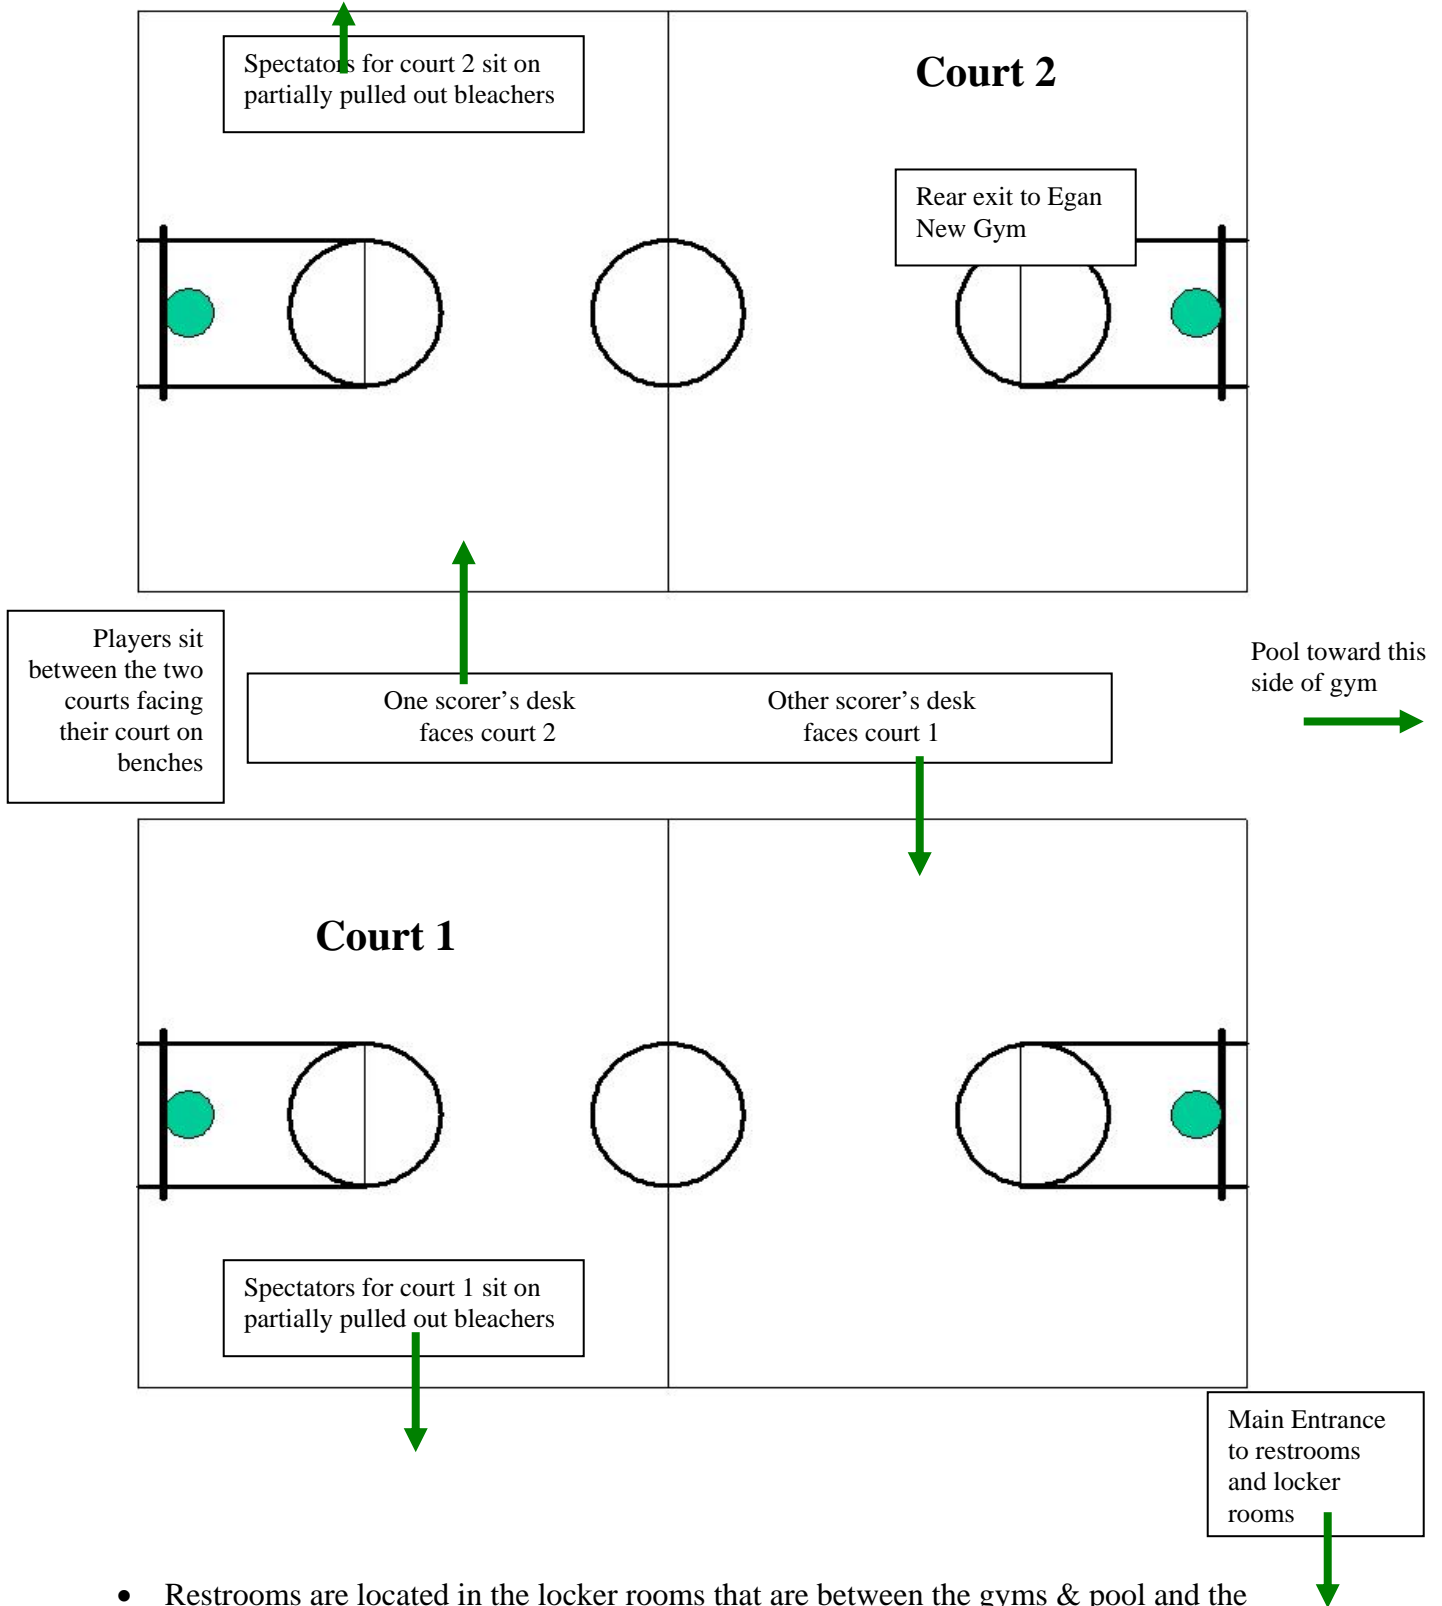

7. Check the game schedule in the binder to determine if there are any D2 or D3 games in this gym on this day. If so, please use the blue painter's tape and the tape measure in the pencil bag to mark the gym floor for free throws. Measure three (3) feet from the free throw line toward the basket and put about one foot piece of tape on the floor for D2 teams. Measure five (5) feet from the free throw line toward the basket and put about one foot piece of tape on the floor for D3 games. This gym has primarily Division 3 games, so you may only need the D3 free throw line.

8. In a gym where the scoreboard is on the the scorer's desk the Home team sits on the right (looking at the basketball court). The signs in the game day gym binder are for gyms where the scoreboard is mounted on the wall. You should NOT use these signs in Foothill Junior College, since we don't get to use the scoreboard on the wall.
9. If you can find the gym dust mop to sweep the floor, please use it to get the floor clean for the games. This gym's floor can be dusty and it needs to be cleaned prior to the games.
